Nov. 29 @ The Music Mill

Arguably the most accomplished and influential bassist of his generation, Victor Wooten has pieced together a career as a band member and solo artist. His first big break came as he joined jazz banjoist Bela Fleck to form the Flecktones. From there he went on to collaborate with a number of notable artists including Dave Matthews, Prince and Branford Marsalis. This year found Wooten concentrating on his solo career with the release of "Soul Circus." These photos are from his November 29th performance at the Music Mill.
